The Insurance Centre; Testimonial from Synergy15 Ltd

I have been in business for a number of years and last year I set up a Synergy15 Ltd with a business partner.

I went to my insurance broker of the last 20 years to get 'public liability and trades' insurance quotes and after 6 weeks of nudging and prompting, gave up with them.

Talking about this experience, two different people referred me to 'The Insurance Centre'.

After clarifying some points over a couple of days the 'The Insurance Centre' provided a quote. Based on similar past cover, the price was good, especially as this was for a newly set up company with no insurance history, so we took the policies.

Later on I had a renewal for van insurance from the old broker and 'The Insurance Centre' beat the renewal quote by £98. A car insurance followed with a similar result and £103 saved.

Last autumn my home insurance renewal came through and to complicate things I wanted to add cover for a lodger. My previous provider wouldn't quote, so this was a bit of challenge. Once again, 'The Insurance Centre' went away for a day or so, then came back with a quote for a policy allowing up 4 lodgers and slightly undercut the renewal quote from my previous provider, a case of more for less.

I strongly recommend going to 'The Insurance Centre' for a competitive, prompt and professional service.

Yours sincerely
