Dear Philip,

I would like to thank you and your staff for the professional, friendly and prompt service I received when looking for an Insurance quote for my wife's car.

Within 30 minutes of emailing Philip, one of his colleagues called me to take some details and straight away I received an email confirming the price. I found the quote very competitive and I received the paper work the day after confirmation.

I would highly recommend The Insurance Centre to family and friends.

Thank you again Philip

Kindest Regards
