Philip Beckett-The Insurance Centre Ltd

Change my car ...so require an insurance quote so rang up the insurance man Mr Philip Beckett of The Insurance Centre Ltd

As always excellent customer service, friendly helpful staff asked the required questions

Did me a like for like quote as of my old insurance company

The insurance centre ltd was £20 pounds per month cheaper than the big boys!

If Philip was as good at telling jokes as he is insurance HE WOULD BE ON THE TELLY!!

I can't recommend Philip Beckett highly enough; he is friendly, helpful and goes over and above for you! Thanks for your help Philip; I'll certainly never go anywhere else for my insurance needs now!
